## MARIETTA DAILY LEADER

FRIDAY, AUGUST 7, 1896

### PERSONAL AND LOCAL.

—River Side Park is half way between Malta and Zanesville on the Z. & O. R. Ry. Big base ball game Sunday, August 9th.

—The police are investigating a disturbance which occurred on the West Side Wednesday night and some arrests will probably be made today.

—When the fire department came down Putnam street and crossed the bridge Thursday evening a number of persons in vehicles on Front street were guilty of criminal carelessness in driving down to the bridge and turning on to the approach at a high rate of speed, the street intersection being thronged with people. Luckily no accidents occurred.

—Twenty-five hundred is not an unreasonable estimate of people who turned out last evening to enjoy the free concert at Muskingum Park. The money invested by council in these concerts is certainly well spent.

—The trial of William Sweeney, charged with stealing old brass from the T. & O. C. Ex. Railway, was held before Mayor Meisenholder Thursday. A decision will be rendered this morning.

—The Bryan free silver club which will be organized at Marshall Hall tonight will be addressed by General Warner.

—So far we have heard of no pockets being picked on circus day. This is only remarkable because a few years ago every circus on the road carried a full complement of thieves and bunco men. John Robinson evidently don't tolerate them.

—The good work of adding names to the roll of the Marietta republican club still goes on and the membership is now over two hundred. Many of them have been Democrats, too.

—If the baseball management could have a few more audiences like that of Thursday, the financial success of the organization would be assured. Four hundred and twenty-five people paid at the gate.

—Mrs. W. S. Patten and son Tom left Thursday for New York city, where they will spend two weeks visiting friends.

—Mrs. L. W. Terburgh, who has been visiting relatives in Marietta for several weeks, returned home to Pittsburg Thursday.

—The Marietta Bone and Phosphate Company has started up in good shape under the new management.

—Captain Oscar Webster expects to raise steam on his new boat Leroy Saturday. In all probability she will be put in the old Zanesville-Parkersburg trade. The hull of the boat was built at Lavana and the cabin, boilers and engines put on here. She is expected to prove very fast.

—The second section of the Robinson circus train was wrecked at Hobby's Hill Thursday morning by a car of horses jumping the track. It was several hours before the car could be replaced on the rails and the show was delayed at Caldwell in consequence. The northbound passenger train on the C. & M. was also delayed several hours by the accident.

—During the month of July Mayor Meisenholder turned into the city treasury the sum of \$147.25 collected from fines and licenses.

—Samuel Warren, an old soldier aged 73 years, died at his home near the city on Thursday. He had been a sufferer from bowel trouble. Funeral Friday at 3 o'clock p. m. and burial in Oak Grove cemetery.

—Cheap excursion to Riverview Park, Sunday August 9th, \$1.00 round trip. Big base ball game, Marietta vs. Zanesville. Excursion train will leave Union Depot 12 o'clock noon, Sunday, returning, leave Riverview Park immediately after the game.

—Wesleyan methodist sacred meeting at the Fair Grounds Saturday at 7 p. m. and continuing two Sundays.

—A party was given last evening at Capt. M. F. Noll's, Fourth street in honor of Miss Maud Lankard, of Wheeling, the guest of Miss Ida Noll.

—Mr. W. M. Dearth and family, Gilman street, will leave today for Beverly to remain a few weeks.

—The shantyboat must go. That is, if the river men have their way. Pittsburg has passed an ordinance prohibiting shanty boats from mooring within the city limits. Nearly every piratical deed on the river is traced to a shantyboat, and as a frequent occurrence murderers and other criminals are aided in defeating justice through these shantyboatsmen secreting the pursued by floating away under cover of darkness. In times of steamboat accidents river men have more trouble in fighting shantyboatmen than they have in saving the lives of passengers. The shantyboatman is the first at a scene of disaster, not to extend a helping hand, but to pillage and rob the unfortunate dead. Boatmen will, all along the river, endeavor to drive these people from their vicinity. —Journal.

—Mrs. James Creelman left Thursday for New York City to join her husband.

—Mr. Will Angert, who has been visiting relatives here, will leave tomorrow for Cincinnati.

—Reynolds and Donahue will be the battery for Marietta in today's game.

—School Commissioner O. T. Corson, of Columbus, is in the city, and will lecture before the Normal School today.

—A. B. White, editor of the Parkersburg Journal, is in the city.

—Messrs. F. and Charles Dunlap, of Wheeling, are registered at the Bellevue.

—C. C. Harrison was a business visitor in the city Thursday.

—W. B. Grier, of Parkersburg, was in the city Thursday.

—The Marietta base ball players who were here Monday and Tuesday are perfect gentlemen both on and off the diamond. They came up here with the expectation of carrying off the honors of course, but took their defeat with the best grace possible. In speaking of Umpire Morgan they said that he was the best man they ever had to umpire a game for them. —Cambridge Jeffersonian.

—Wednesday noon three brothers named Tittle went into the office of T. & O. C. Agent George Vanvaley at Broadwell and while intoxicated attempted to take charge of the business. Mr. Vanvaley ordered them out and upon their refusal to go ejected the whole trio. During the struggle which followed one of the Tittle boys was struck on the head by a car-sealer which the agent picked up, and was seriously bruised. A few hours later Mr. Vanvaley locked up and boarded the train for Marietta. As the train passed one of the Tittles threw a large boulder, which struck the brakeman, but did no serious damage.

—Miss Daisy Clark, of Cambridge, who has been the guest of the family of Sheriff Dye for several weeks, left Thursday for Zanesville, where she will visit relatives.

—Miss Carrie Brown, who has been visiting friends here, was called home on account of the death of her aunt and left over the Ohio River road Thursday.

—Miss Snodgrass came up from Parkersburg Thursday to be the guest of Miss May Riley.

—The fire department was called out Thursday evening about 9 o'clock on an alarm from the hardware store of Winsor & Dye, on Gilman street. The alarm was caused by an exploding lamp, but the blaze was extinguished before the department arrived.

—Miss Moore, of Clarksburg, W. Va., who has been the guest of Miss Myrtle Williams, returned home Thursday.

—Frank Ketter is here from Columbus visiting friends.

—George Plumer and sister Jennie are visiting friends and relatives at McConelsville.

—Mrs. W. P. Cutler left Thursday for Chicago, where she will visit her sister for several weeks.

—Adam Gildow and Paul McMillen were before the Mayor Thursday for drunkenness and each was fined \$2 and costs.

—Mrs. Philatus Alden, of this city, died of cancer at South Olive Wednesday, having gone to that town recently to visit relatives. She had been a patient sufferer for a long time and leaves many friends to mourn her death. Funeral at South Olive Friday.

—John Lee, an employe at Becker's Planing Mill, got his left hand caught in a joiner Thursday and received serious lacerations. It was found necessary to amputate the second finger on account of the bone being crushed. Lee lives at Central City, W. Va.

—Captain Bay's new boat has been named the Kanawha. When finished she will be one of the finest on the river. Her cabin, boilers and machinery were built here.

—George Lehmer, of Cow Run, has purchased a lot on Washington street, near Fifth, and contemplates the erection of a fine residence.

—The lecture of Prof. E. K. Barnes was delivered before the teachers in attendance at the Normal Institute Thursday evening on the High School campus and was an instructive effort, attentively listened to by all present.

—Mrs. Louis Mueller and children, of Anniston, Ala., are visiting friends and relatives in Marietta and will remain several months.

—Hayes Purcell, of Lancaster, has been signed as a pitcher by the Marietta management. He will arrive today.

—The new boat Argand will enter the Marietta-Middleport trade next week and will make trips alternately with the Valley Belle.

—Mr. Oliver Miller, one of the best known farmers in the west end of the county, died suddenly Thursday morning while out working with two of his sons. He had been in apparent good health and fell without warning, expiring immediately. His death is supposed to have been due to heart failure or the excessive heat. Mr. Miller was a man with a large circle of friends and acquaintances and leaves a large family.

## AN OPEN LETTER

From a Government Official.—Ineering Testimony from the Department of Secretary of State for Michigan.

Mr. A. P. Gale is at present engaged in the Department of Secretary of State, and is well known in Flint, Mich., as his home is at Atlas P. O., near that city. The following letter, written by Mr. Gale, will interest many readers:

"GENTLEMEN:—For over ten years, for more or less of the time, I have been a sufferer from kidney trouble, and at times have been so bad as to be unable to lie in bed at night on account of the very severe pain across the small of my back, and for the past two years I have been rapidly growing worse, until I became discouraged, and felt that unless I could get some help soon my chances for life were pretty slim. The urine was very highly colored, and at times deposited a red sediment. This continued until it was almost impossible for me to perform my work in the office, while at times I was compelled to quit work entirely. This condition lasted until about a month ago, when I saw your advertisement of Doan's Kidney Pills, and concluded to try them, though without much faith of receiving any benefit, but, to my great surprise, before I had taken half a dozen doses I felt so much relief that I began to be encouraged; and now, after using six boxes, I am sure that they will do just what you claim for them. I have also recommended them to friends in the office with me who complained as I did, and they claim the same results from them that I have experienced. I was afraid of them at first for fear they would act as a purgative, but I had no trouble of that kind from the use of them. Doan's Kidney Pills have benefited me so much that I feel very grateful to you.

(Signed) A. P. Gale,  
Doan's Kidney Pills are for sale by all dealers, price 50 cents. Mailed by Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—DOAN'S—and take no other.
